October 21, 2017 (Sat) 10:00am

Why PSAT 10?

On Sep. 30, 2017 10:00am, our school will administer the PSAT™ 10, a test that showcases the skills and knowledge you are developing and acquiring in class that are essential for college.

We encourage you to take advantage of the many benefits the PSAT 10 offers:

- Get connected to colleges and universities across the country — and to scholarship organizations — by opting into Student Search Service® on the test.
- Get ready for the new SAT®. Taking the PSAT 10 is great practice for the PSAT/NMSQT® and the new SAT, and helps sharpen your skills for college. After you get your scores, you can link them to Khan Academy® to keep practicing where you need it most.
- Get matched with AP® courses that make the most of your strengths. AP can give you an edge in the admission process and the opportunity to earn college credit.
- After results come in, your counselor will gather you for a consultation gathering.

Ask your counselor for more information about what the PSAT 10 can do for you, and visit psat.org. See you on test day!
